HOW IT WORKS

This virtual experience is designed to safely bring the magic of live theatre into classrooms or assembly halls. It costs £50 per school/nursery/centre and includes:

1) THE SHOW

A unique URL log in for your school/nursery/centre to access the show from 13 June - 29 July 2022. The show lasts one hour and you can create your own schedule as to when to play it to each group or class. It is designed to feel like a trip to the theatre. You can send it onto pupils at home too - to make sure they don't miss out.

2) ACTIVITY PACK

A downloadable resource for classes including printable activities tied in with the curriculum. Full photocopying licence included.

THROUGHOUT THE EXPERIENCE, we would love teachers to tweet photos and videos of classes enjoying the show using **#TheMcDougalls** and **@TheMcDougalls**.

Our team will be on hand throughout the performance days to answer technical questions. Please note: schools, nurseries and centres booking the virtual show are responsible for ensuring the experience is conducted in line with COVID-19 government guidance in your building and area. We include a COVID-19 safety message at the start of the show.

ABOUT THE COMPANY

The McDougalls: a music and theatre company from Scotland, producing and touring engaging and interactive theatre shows for children and their families.

Our company's sell-out stage shows pack major city centre theatres, concert halls, arts centres and festivals across the UK, blending the educational with the entertaining into a magical live theatre experience.

For many young audiences, a trip to **The McDougalls** is often their first taste of live theatre. Our productions have become a box office highlight of theatres across the country, and for audiences, a biannual trip to see our latest show has become the ultimate 'day out with the kids'. Our albums, digital music and online TV shows have gained a popular reputation with children across the globe. The musical adventures of **The McDougalls** now enthral young fan bases in the USA, Spain, Greece and Australia.

From headquarters in the West of Scotland, our work is created and performed by award-winning duo **Ruairidh Forde and Ryan Moir**, who consolidate backgrounds in theatre production, primary education and children's television into a fun-filled, unique musical act.

From a one-off show created for Irvine's Harbour Arts Centre in 2014, the concept has evolved into a nationwide touring operation: an unrivalled brand of live entertainment capturing the imaginations of thousands of children.
